## 2020 Lois T. Flaherty, MD Best Resident Paper in Adolescent Psychiatry Award

Supported by Professional Risk Management Services, Inc (PRMS)

**Submission Deadline: April 1, 2020**

The American Society for Adolescent Psychiatry (ASAP) is accepting submissions for the **Lois T. Flaherty, MD Best Resident Paper in Adolescent Psychiatry Award**. The award provides a \$1,000 grant. The recipient will receive the award at ASAP's 53<sup>rd</sup> Annual Meeting on April 24 in Philadelphia, PA. The recipient will be notified and receive the award at the end of the meeting. Established in 1967, ASAP is the premiere educational, networking, and support resource for psychiatrists interested in adolescent psychiatry. ASAP promotes leadership and excellence in behavioral healthcare of adolescents.

We are seeking outstanding resident papers on adolescent mental health; these can be original research papers, case series and detailed case reports, or review articles. The award includes **\$1,000** to offset the costs involved in travel to the meeting and for lodging while there, and the opportunity to be recognized at ASAP's Annual Meeting.

The winning paper will be considered for publication in *Adolescent Psychiatry*, the official publication of the ASAP. The purpose of *Adolescent Psychiatry* is to provide up-to-date, accurate, and easily understandable information to our readers and to contribute to the body of scholarly work in the area of adolescent psychiatry. The journal publishes peer-reviewed, original articles and also welcomes conceptual essays, commentaries, observations, and opinion pieces.

Residents should only submit original work that has not been previously submitted to any publication. All submissions will be required to accept that *Adolescent Psychiatry* will have rights of first refusal. Manuscripts can be up to 9,000 words depending on the type of article, and must be submitted by the **deadline of April 1, 2020 via email to: [general@asapadolpsych.org](mailto:general@asapadolpsych.org)**. Instructions for authors regarding manuscript guidelines can be found on the journal's webpage at <https://benthamsience.com/journals/adolescent-psychiatry/>.
